Please say "I saw your listing #146004 on VRBO". Before contacting us, please check our calendar for your desired dates.

Come to Kauai away from the winter and enjoy local produce so fresh; Tuesday and Saturday Farmers local farmers markets. Then head home before the sunsets and immediately enjoy the best of Kauai from your own private estate. You won't waste any of your precious vacation time driving around searching for "the spot"; "Everything you want is right here sand,surf,sun,snorkeling &

rejuvenation".

The property is located on the #1 best rated beach in USA, near Tunnels and Ke'e beach {the end of the road}. Our property is the gateway to both of these famous beaches, which are consistently voted as "the best" by the visitors of Hawaii, all within three miles of our house.

Upon arriving to this 5 star luxury retreat and sanctuary; you will soon discover where heaven and earth meet.

Imagine the best beach, snorkeling clear, pristine waters, a variety of colorful fish. On any given day you can encounter turtle's, spinner dolphins, whale watching, and the occasional Monk seal. This is a secret location, don't tell anyone, but our front yard boasts some of the best snorkeling in all of Kauai views of whales&dolphins jumping,exotic flowers, and amazing rainbows; this is your perfect location. A dream realized, in the United States of America. You can vacation with your loved ones at the "Blue Lagoon", a private oasis on the North Shore of Kauai, Hawaii.

The house was designed to be part of the landscape, to embrace the views of the "Blue Lagoon" and Pacific Ocean with Princeville as a back drop. Protected by the barrier reef, this lagoon offers a place to swim safely, directly in front of the house.

This home as stated by many is "the nicest home on the North Shore." Each of the four bedrooms has its own private entry and exit with a clear view of either the ocean or a water fall. We provide top Brand linens to include: Macy's Hotel Collection, Pottery Barn and T. Hilfiger, 600 thread count and higher. The beds are top quality brands: "Sleep Number" Beds in both oceanfront suites; each bed is equipped with two remotes for guest to find their own comfort level. What's your number?

We incorporated only the best materials available. Cedar exterior, Brazilian marble counter tops, and bathrooms, interior Jacuzzi bathtubs in both oceanfront suites, Brazilian mahogany floors, spacious Ipe decks, all the windows capture mystical magical views, Koi ponds, waterfalls, flowers o plenty encompass this compound.

If privacy is desired, the property is enclosed by lava rock walls, a Hawaiian method called "hand stacking." The Lava rocks create the ultimate ambiance and privacy.

The yard is meticulously landscaped. The lava rock walls are hand planted with a variety of Orchids, Bromiliades and many Indigenous Hawaiian Tropical plantings for you to enjoy. While you stroll thru the property, your senses will be engaged by the sight and smell of the tropical flowers and many fragrances. See if you can find and identify them all.

For those golfers, Seashore Paspalum grass surrounds the house, the same kind of grass found on the greens at the Prince Golf Course in Princeville, rated the #1 golf course in all of Hawaii, only 15 minutes away. The grass feels like carpet for the feet. We've set up a fun miniature golf course with plenty of putters and golf balls supplied.

Wake up in the morning to the sounds of the ocean lapping on the shore line. The sheer natural beauty of the sounds found here will delight and rejuvenate your spirit.

Wake up to the sweet smell of fragrant flowers. This is a destination like no other destination, for those whom have the wherewithal to stay at this location. Wake up to a spectacular sunrise as you hear the music of the song birds engaging in their morning ritual singing competitions. There are a variety of special birds for you to collect photographs and enjoy their habits in this paradise. Another sound from the property is three small waterfalls, which includes Koi ponds with florescent fish and friendly Koi.

Relax next to the pond and experience feeding these beautiful Koi fish and their spectacular colors. The fish will be sure to entertain you and beg for more treats. They don't know when they've had enough, so only small portions please. Food is provided for the fish.

Entertainment features include: 42" HDTV, cable internet service, wireless modem, Pool table/ping-pong table, indoor Mango wood smoothie Bar with refrigerator, Large Gas BBQ, Outside Hot Springs Jacuzzi surrounded by Fragrant flowers, three Kayaks (2 singles, 1 Double) and miniature golf greens. When the trade winds pick up, one can indulge in Wind Surfing Sports or for those of you who enjoy watching these activities, a short walk down the beach is home to some of the best kite board sailing grounds in Hawaii. If surfing is what you're after, Tunnels Beach, a world renowned surf spot, with some of the best surf on the planet, is 3 minutes north.

If you're wondering "is there going to be a crowd?" The beach directly in front of the property is mostly a private beach. People have to know how to find the beach and beach access is limited. Many days, I'm the only one, wondering how I was so blessed to have this all to myself, I hope to see you in Paradise soon, Mahalo

We can't say enough good things about The Blue Lagoon. This was the most amazing beach house in Kauai. Nick thought of every detail when building and designing his home and he couldn't have chosen a better setting. We loved viewing all the original art that resides on the walls of The Blue Lagoon. Outside the water is so blue, clear, and calm right in front of the property, perfect for snorkeling, swimming, and kayaking. We also spent lots of time in the beautifully landscaped yard, and our young daughter loved the Koi pond. Thank you Nick for lending us your perfect place in paradise for a week. We'll definitely be back!

Thank you so much for your hospitality Nick! Your home is so beautiful you really paid attention to detail; from the tropical plantings to the architecture. The most amazing location & views. We now know where the gold at the end of rainbow is. Our expectations were exceeded! We will be back Mahalo Fannie&Charley-2008
