The Cove is a lovely three bedroom, two bathroom plantation style beach house (2,380 sq ft) located on 5 serene acres of lushly landscaped coastal rainforest in Haena. As you enter the Cove you will be enveloped by a private tropical oasis planted with groves of organic banana and coconut palms, thousands of fragrant flowers including orchids, gardenias, gingers, plumerias, and haliconias--and acres of manicured emerald lawns surrounded by soaring verdant mountains and a majestic waterfall on Kauai's unspoiled North Shore.

The interior of the house features vaulted ceilings, skylights, fine art, bamboo floors, hand-woven silk rugs, new electronics and appliances, satellite TV, European Lalique and Fortuny lighting fixtures, a contemporary film, music and literary library, and a fully equipped kitchen. The living room, dining room, kitchen, master bedroom, and childrens bedroom offer breathtaking ocean front views of turquoise waters set amid the world famous reef at Tunnels Beach. The guest bedroom offers garden, mountain and ocean views. All bedrooms feature hand-made teak beds imported from Tahiti and luxury linens and bedding. The spacious master bathroom and guest bathroom are designed with natural tumbled travertine and European plumbing, including oversized showerheads. For your convenience there is a stackable washer and dryer inside the house.

Attached to the garage, you will find a well-stocked butler's pantry with tablecloths and linens, fine Russian china (service for 36) and a variety of stemware, a full size dishwasher, ice maker and refrigerator, as well as temperature controlled wine cabinets. There is also an airy laundry room with plenty of oversized beach towels and a full capacity washer and dryer as well as a sink for hand washables. Two outdoor showers are conveniently located on the front and back side of the garage.

Inside the garage is a fully equipped home office with a writing desk, computer, phone, and fax machine / printer. The Cove has high-speed wireless internet access, and 4 phone lines, one dedicated as a fax line. All gates at entrances are fully electric and tied into a state-of-the-art security system.

The elegant newly constructed Thai style dining pavilion (480 sq ft) enclosed with sliding glass and screen doors, seats 12 and is ideal for lunch or dinner and can also be used as a tranquil retreat for yoga, massage and contemplation.

In the heart of the garden, our 900 square foot yurt with hardwood flooring and decking provides a spacious location to work out (with weights, Precore treadmill and elliptical machine), practice

yoga, or to have a massage.

Our beautiful organic gardens and orchard are abundant with ripe papayas, pineapples, guavas, coconuts, bananas, noni, and citrus year round. We encourage you to pick all you can eat.

Children of all ages will enjoy the numerous swings situated in and around the garden as well as the oversized trampoline.

Private picnics and swimming excursions to our nearby 8 acre Wainiha Valley river property (1 mile away) can be easily arranged with 24/48 hour notice.

We are off the beaten path, situated on one of the finest crescent-shaped white sand beaches in the state of Hawaii. With its glorious weather, soothing trade winds, lush tropical foliage, eye-catching rainbows, sparkling clear blue waters, hidden caves, towering sea cliffs, breathtaking botanical garden, fresh water streams, and relaxed pace of life, there is no place quite like Haena on Kauai.

Outdoors enjoy a variety of water sports including kayaking, paddle boarding, kite boarding, windsurfing, swimming and snorkeling as well as shell collecting, sunbathing or napping in a hammock. Eat lunch al fresco under the outdoor tents or on one of the many teak picnic tables shaded by mature coconut palms. In the evening, our stately landscape lighting embellishes the mature coconut palms and creates a majestic backdrop against the blanket of stars.
