OFFICE OF
THE COUNTY CLERK
COUNTY OF KAUAI

Dear Mr. Rapozo:

Thank you for your letter dated ^{*}May 4th, 2015 regarding the recent visit of a Kaua'i County Council member to Basel for our AGM. I appreciate your clarification that this visit was neither officially directed nor sanctioned by the Kaua'i Council but was rather the action of an individual.

Additionally, we appreciate your affirmation as Council Chair that Syngenta is operating in accordance with the law on the island of Kaua'i. It bears repeating that in addition to already following strict regulations enforced by the Environmental Protection Agency, the U.S. Department of Agriculture, and the state of Hawai'i, we support and are voluntarily following the Good Neighbor Program developed by the Hawai'i Department of Agriculture.

As you know, Syngenta has been present for more than 40 years on the island of Kaua'i and we have taken our leadership role as a good corporate citizen seriously throughout that tenure. We remain committed to the island where our employees remain a vital part of the community and economy.

Sincerely,

Michael Mack
