**Update on anti-drug rally**

LĪHU'E – County officials said this morning that they received a complaint from the American Civil Liberties Union (ACLU) regarding the anti-drug rally that was scheduled at 4 pm this afternoon in front of the Historic County Building.

“We are in receipt of the ACLU complaint and my office is reviewing it,” said County Attorney Alfred Castillo.

The rally was cancelled due to the complaint and for safety concerns due to the threat of flash flooding for Kaua'i County.

A flash watch is in effect for Kaua'i and Ni'ihau through tomorrow morning.

The rally was planned to raise awareness and inform the community of the pending marijuana legislation now being considered by the state Legislature.
